Q) What's New in Drapery?

A) Washable / Room Darkening Lining

- ❖ Very Soft Hand - Hangs like a Poly / Cotton
- ❖ Machine Washable
- ❖ 98% Blackout
- ❖ Printable with Heat Transfer Prints – Over 1000 prints available
- ❖ Neutral to the Exterior
- ❖ Also available as an F/R (Fire Retardant) base cloth

How does that benefit your property?

- ✓ High End look without the cost of adding lining to standard Polyester drapery fabrics
- ✓ Single layer drapery / reduced labor costs to produce
- ✓ Does not need to be Dry Cleaned / reduced cleaning costs
- ✓ Provides blackout to room without the stiffness & bulkiness of standard 2 or 3 pass blackout lining
- ✓ Extensive print range allows easy coordination with other soft treatments in the room
- ✓ White backing provides a Neutral appearance from the exterior of the building

Introductory Pricing: Typical Pinch Pleated drapery size of 60" X 72"

\$ 99.98 per pair

- ❖ Gst and applicable taxes extra
- ❖ All pricing is F.O.B. Calgary
- ❖ Pricing is based on 100 pairs using one pattern / one order.
- ❖ Pricing may change without further notice.
- ❖ Pricing based on 2 times fullness / 3 fabric widths per pair
